

Environmental Technician

Geo-Logic Associates, Inc. (GLA), a multi-disciplinary civil and environmental consulting firm with 250 professionals in 26 offices in the United States and an affiliate office in Peru, is currently seeking a full-time **Environmental Technician** to provide support for civil/site infrastructure, solid waste, mining, and environmental remediation projects.

Office Location: Ontario, California (corporate headquarters)

The Environmental Technician will provide field monitoring and sampling services to support regulatory compliance, environmental remediation, and litigation support projects. This work will include:

- Collecting groundwater, surface water, soil, liquid, soil-pore gas, and landfill gas samples
- Preparing sample Chain-of-Custody documents
- Coordinating sample delivery to analytical laboratories
- Assisting with maintaining groundwater monitoring well sampling systems
- Assisting with the operations and maintenance of landfill leachate treatment and groundwater corrective action systems

Position requirements include:

- United States citizen or legal residency
- Valid driver's license
- Experience in environmental sampling

Preferred skills include:

- Bachelor's degree in physical science, environmental studies, or a related field.
- OSHA 40-hour HAZWOPER training and current 8-hour annual HAZWOPER training
- MSHA training
- Groundwater sampling training (Nielsen Environmental School, or similar)

Candidate will be expected to work away from home on a regular basis. Work will include daily travel of up to 400 miles, working at remote sites, and interaction with team members, clients, and the general public. Candidate will regularly work at municipal solid waste disposal sites, hazardous waste sites, and mine sites. The Candidate must be in good health, and must be able to lift up to 50 pounds. Employment is subject to a pre-employment physical examination, including drug screening.

GLA offers a comprehensive benefits package including health insurance, 401(k) retirement plan, and Employee Stock Ownership Plan.

GLA is an Equal Opportunity Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, sexual orientation, gender identity, disability and protected veterans status or any other characteristic protected by law.

Please submit your resume and cover letter to employment@geo-logic.com. The closing date for resumes to be submitted is June 30, 2019.
