

# Senior Project Engineer

Geo-Logic Associates (GLA) is a privately-held, multidisciplinary, geologic, geotechnical, hydrogeologic, civil, and environmental consulting firm. Our highly experienced professionals manage projects through 27 US office locations and an office in Peru. The firm was established in 1991 and has experienced sustained growth since then.

GLA is currently seeking an experienced full-time Senior Project Civil Engineer to support civil/site infrastructure, solid waste, mining, and environmental remediation projects. Projects focus on solid waste facilities and may also include general civil engineering design, stormwater hydrologic and hydraulic design, geotechnical design, and mining facilities. Projects typically also include significant regulatory compliance components.
