

# Laboratory Technician

Geo-Logic Associates (GLA) is an employee-owned, multidisciplinary, geologic, geotechnical, hydrogeologic, civil, and environmental consulting firm. Our highly experienced professionals manage projects through 28 US office locations and an affiliate office in Peru. The firm was established in 1991 and has experienced sustained growth since then. Our resources include well-qualified and experienced professionals with expertise in a diverse array of disciplines.

## Location: Reno/Sparks, NV

The GLA Reno/Sparks lab is seeking an experienced Soil Laboratory Technician for a full-time position. Primary responsibilities include preparing soil samples for testing and measuring routine soil geotechnical properties following standardized procedures in a non-traditional work environment, as well as assembling and maintaining testing equipment. Position requires application of basic math skills and scientific principles to laboratory testing and data interpretation. Demonstrated mechanical and electrical aptitude is a plus. An A.S. or B.S. degree in engineering, geology, environmental science, or related scientific field is preferred but not required.

### Position requirements include:

- Experience following standard laboratory practices (e.g., safety, precision, cleanliness, procedures, etc.), and mechanical and system troubleshooting aptitude;
- Ability to lift and carry 50-pound buckets up to 10 feet repeatedly for a few hours at a time;
- Ability to work in a standing position for full 8-hour work shift;
- Ability to read and record detailed increments on various instrumentation accurately;
- Ability to perform laboratory testing equipment setup and record readings while standing on a ladder at heights up to 4' above the floor; and
- Ability to perform repetitious physical movements continuously during a work shift.

### Candidate Must:

- Be able to read, record, accurately report, and perform calculations as established by standard laboratory practices;
- Possess a working knowledge of MS Excel and Word;
- Be mature, detail oriented, have good interpersonal communication skills and the ability to work independently and in a team environment;
- Be eligible to work in the United States and possess a valid driver's license; and
- Pass a pre-employment physical and drug screen

GLA offers a comprehensive benefits package including health insurance and 401(k) retirement plan.

GLA is an Equal Opportunity Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, sexual orientation, gender identity, disability and protected veterans status or any other characteristic protected by law.
